Web Announcement 2024

Brand Voltaren® Gel Unavailable

Endo Pharmaceuticals, the manufacturer of the brand name Voltaren® Gel 1% (diclofenac sodium gel 1%), announced they stopped production of this product. Voltaren® Gel 1% is listed as a preferred product for Nevada Medicaid. Effective November 12, 2019, Nevada Medicaid allows the generic diclofenac gel 1% to pay as preferred. In order to allow current supplies to be exhausted, Nevada Medicaid will continue to list and cover brand Voltaren® Gel 1% as a preferred product.
